GENERAL INFORMATION

XXVI World Symposium on Leadership

Digital Governance and Ethical Leadership: Building Trust and Security in a Hyperconnected World

Bogotá, Colombia | October 22–24, 2025

🔑 *Escuela de Cadetes de Policía “General Francisco de Paula Santander”*

Event Description

The **XXVI World Symposium on Leadership** is an international academic gathering that convenes scholars, institutional leaders, experts, and students from over 14 countries. The Symposium is co-organized by **Universidad La Gran Colombia (Colombia)**, **Universidad Mundial de Baja California (Mexico)**, and the **Escuela de Cadetes de Policía “General Francisco de Paula Santander”**, with the support of national and district-level institutions. This event offers a dynamic and interdisciplinary space for reflection, innovation, and collaboration on the challenges of digital governance, ethical leadership, protection of human rights, and socially impactful digital transformation.

Main Theme
